

ARCHITECTURAL DESIGN REVIEW REQUEST

Office Only PO # _____

This request form is to be completed by the homeowner and submitted to the Design Review Committee via the Community Management Office. The request must be approved by the **DRC or Board of Governors** before any work commences. If approved, no further modifications or other alterations may be made without further approval of the review committee or Board. If you are using heavy equipment such as a dump truck, bobcat, fork lift, front end loader, etc. it is the responsibility of the homeowner to take every precaution to ensure no damage is done to the roadway, sidewalks, electrical, water, cable and any other common areas of the Association. Homeowner is solely responsible for restoring such areas to their original state.

It may take up to thirty (30) business days for the approval process, however, if your application is complete, including the following details, there should not be any additional delays. When approved your application is valid for a period of 60-days only.

Conditions applicable to Mission Bay Community Association Inc ARC Application

1. I understand that compliance with the Mission Bay Community Association, Inc., and approval by the Design Review Committee does not necessarily constitute compliance with the building and zoning codes or provision of Palm Beach County.
2. Approval of any project by the DRC does not waive the homeowner’s responsibility for obtaining the appropriate Palm Beach County permits and inspections as required. Further, obtaining required County permits do not waive the requirements for the DRC approval.
3. I understand and agree that no construction or exterior alteration shall commence without written approval from the DRC. If alterations are made prior to receiving approval, I may be required to return property to its former condition at my own expense if this application is disapproved wholly or in part, and that I may be required to pay all legal expenses incurred.
4. I understand that any approval is contingent upon construction or alterations being completed in a professional-like manner.
5. The DRC Committee or the Board of Directors will provide a DRC decision on all applications for alteration within 30 days of receipt of a property and fully completed application.
6. The work must be performed strictly in accordance with the plans as approved. If after plans have been approved, the improvements are altered, erected, or maintained upon the Lot other than as approved, same shall be deemed to have been undertaken without DRC approval.
7. **All supporting documents such as drawings, illustrations, plot plans, plats and survey must be submitted with the application for the ARB application to be considered “complete”.**
8. **Design Review Committee (DRC) and Village Architectural Review Committee Limitation of Responsibilities:** The primary goal of the Committee(s) is to review the applications, plans, specifications, and sample materials submitted to determine compliance with the policy standards set forth in the Mission Bay Design Review Manual and, if applicable, the Village documents. The Design Review Committee and/or Village Architectural Committee do not assume responsibility for the structural adequacy, capacity or safety features of the proposed modification; compliance with building codes, safety requirements, governmental laws, regulations or ordinances; performance or quality of work of any contractor, damages or insurance requirements

Homeowner Affidavit: I have read & agree to abide by the Declaration of Covenants & Restrictions of Mission Bay Community Association, Inc. (MBCA) and if applicable, the Village. I understand no work will begin without approval from the association(s) and my village, if applicable. The Village must approve my request prior to being reviewed by MBCA.

COORDINATION WITH VILLAGE ARCHITECTURAL REVIEW COMMITTEES AND ROUTING INFORMATION:

The MBCA Design Review Committee shall provide oversight to the individual Village Architectural Committees. The two-tiered villages of Laguna, Las Flores, The Isle, Sonata, Reflections, Regatta, and Ventura have independent, functioning architectural committees. Upon completion of this application, submit it to your management company. After your Village has approved, your management company will deliver application to Mission Bay for final review by the DRC. The application, approved or denied, will be returned to your Village Management Company, who will then notify the resident of the application status. NOTE: Cordova, La Costa, and Harbour Springs do not have a separate architectural committee.

Requests and alterations must conform to all local Zoning and Building Regulations. You are required to obtain the required permits, after your request is approved. If all required materials or information is not included with this form at the time of submission, the time period does not apply for approval/disapproval.
